

Settlement service

Canberra is a city that welcomes everyone.

If you've received ACT nomination for your visa, the ACT Skilled Migration team provides a free settlement service to help ACT nominated overseas migrants settle in Canberra. The Welcome to Canberra team will:

- Provide information and advice while you are waiting for your visa, and, if you have questions about living in Canberra, refer you to the relevant websites.

- Follow up with a phone call or email eight weeks after you have arrived in Canberra.

- Complete settlement surveys at 6, 12, 18 and 24 months after arrival.
